

Take Control With CEC Mobile

The popularity of smartphones and mobile devices has changed the way many of us interact. Conveniences such as direct deposit and mobile banking have replaced standing in line and speaking with a teller. Today, most items can be ordered online and either delivered to your door or ready for you to pick up at a time of your choosing. Likewise, mailing a check may be inconvenient for some members when those bills can be paid online or over the phone.

To meet the needs of members that prefer to take control of their Citizens Electric account from anywhere they are connected to the internet, we offer CEC Mobile for iSO and Android. This free app allows members pay their CEC bill in less than a minute.

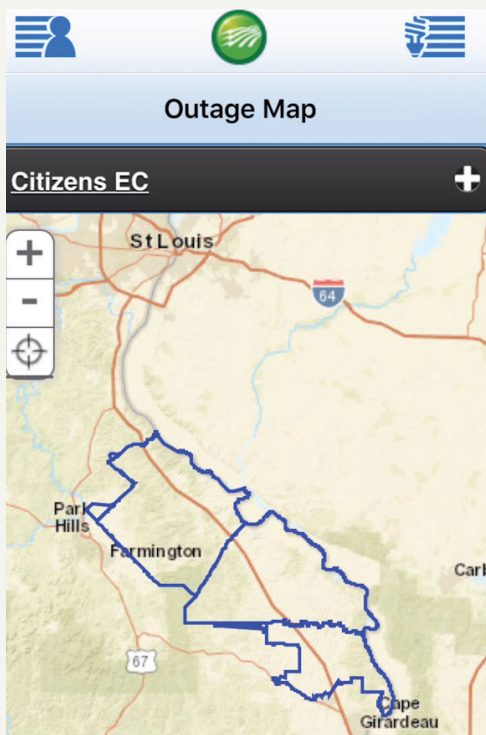

It is simple to monitor your usage with CEC Mobile from Citizens Electric. This key feature can help you make smart choices about energy consumption.

CEC Mobile

For iOS and Android

For those members that prefer to pay in-person or via mail, CEC Mobile offers a host of other services. Many members enjoy how easy it is to report outages, monitor usage and view payment history. CEC Mobile has something for everyone.

Take control of your Citizens Electric account today by downloading CEC Mobile.

CEC Mobile can be found at App Store and Google Play. Downloading and using CEC Mobile is completely free. Simply enter your account number and password to take control of your CEC account. If you did not set a CEC password, call us at 1-877-876-3511. We will be happy to assist you.
